

VOLUME 26—NUMBER 20

For some time now, Mrs. William Borkey, of 228 Dudley Ave., has been in charge of a very worthwhile project sponsored by the Narberth Juniors. She has been taking a group of young women to Valley Forge General Hospital every Thursday afternoon to assist in teaching the boys to dance...we understand the boys are all ambulatory or blind cases...this afternoon she will be accompanied by Mrs. George Burns, Mrs. Henry MacAvoy, Marion McClure, and Hannah Dick MacFarland.

Mrs. Borkey told us this week that she was most anxious to have more names on her list...anyone interested may call her at Narberth 2816-W.

Was talking to Narberth's hat designer, Cele, O'other day, and admired the flowers she was wearing in her hair. She remarked that she didn't have more than one hat to her name...and she designs the most stunning hats;...She has more customers than she can manage...and she looks more like a pretty 20 year old girl than a business woman.

Congratulations to DeHaven Grace, son of the Boro's charming secretary, Mrs. Carl DeH. Grace...he's editor of the Philadelphia Post, a monthly magazine of the Philadelphia Junior Chamber of Commerce...and his paper won the state award at the annual JEC convention in Lancaster last week-end.

Boro-ites may wonder why the Harold A. Noremaker's attractive daughter, Dorothy, and her fiancé, Marshall C. Stuart, of Ardmore, chose Friday the thirteenth as their wedding date...it's in honor of her grandparents' 55th wedding anniversary...her grandfather, the Rev. Cyrus S. Noremaker, is going to perform the ceremony. The Noremakers live at 829 Montgomery Ave., Narberth.

Glad to hear that Ed Pollock is home for a while anyway...he's a PFC in the Army, you know, and

13 MERCHANTS PLEDGE \$1300 FOR OFF-STREET PARKING; PROTEST BOROUGH ACTION

Initial returns from questionnaires sent to the 80 members of the Narberth Business Council show 13 merchants in favor of buying, off-street parking space—and willing to put up \$100 apiece toward the purchase.

The increasingly serious problem of adequate parking space for shoppers in central Narberth held the floor Monday night during most of a two-hour meeting of the Business Council.

Franklin Tinker, president of the merchants' organization, reported that Borough Council at its May meeting tabled a suggestion made by the businessmen that Narberth Ave. be widened in order to provide additional parking space.

The merchants said they could understand that the widening might not be feasible or financially possible at this time, but they voiced a vigorous protest against Council's

Methodist Pastor Spent Two Years As Marine Corps Chaplain

Bishop Fred Pierce Corson, presiding bishop of the Philadelphia Methodist Conference, announced last week at the close of the 161st Conference the reappointment of the Rev. Harold D. Flood to the pulpit of the Narberth Methodist Church.

Rev. Flood begins his second year in the pastorate of the Narberth Church, to which he came last May at the conclusion of the annual conference. Last year also marked his re-entrance into civilian life, after serving two years as chaplain in the United States Marine Corps. After entering the United States Navy in the spring of 1944, Rev. Flood was assigned first to Marine Headquarters in Southern California, and then saw duty in the Pacific Islands, the Philippines and North China, where he was attached to Marine Corps Aviation units.

He returned to this country and to civilian life in the spring of 1946. A veteran of 13 years in the ministry, Rev. Flood first served the Methodist Church in Gladwyne, beginning in 1933 and continuing his pastorate until 1936. He went to the Epworth Church, in West Philadelphia, from 1936 until 1939; to Middletown, Pa., from 1939 until 1941, and was occupying the pulpit at the Lawndale Methodist Church when he entered the service.

Proudest of his achievements since coming to Narberth is the installation in the church of an amplification system costing more than \$2000, a tribute to the service men of the congregation. During his year in the pulpit the church has also launched a four-year campaign to rid the church of its debt, announced as being up-to-date.

With Rev. Flood in the parsonage live his wife and three children: Janet, 9; Lawrence, 7, and Joyce, 17 months.

Home Is Looted By Cat Burglar

Food Fair Official Loses \$18,800 In Furs, Jewelry, Cash

A burglar, cat-footing over heavy carpets, stole \$18,800 worth of jewelry and cash Sunday night from the home of Mr. and Mrs. Alfred Rosenberg, 7 Merion Rd., Merion.

The victims told Lower Merion police they awakened at 8 A. M. Monday to find that their bedroom had been ransacked while they slept.

Among the articles reported stolen were a wild mink coat, valued at \$5500; a diamond necklace, valued at \$4700; a man's wrist watch valued at \$650, and \$1100 in cash.

Rosenberg, a vice president of the Food Fair Stores, told police he and his wife retired about 2 A. M. and that neither heard any disturbance during the night. Some of the items stolen were taken from a table beside Mrs. Rosenberg's bed.

About 4 A. M. the same night Mrs. Curtis Gorsen, 544 Greystone Rd., a neighbor of the Rosenbergs, called Lower Merion police to report a prowler in her room. She said the man fled when she awoke.

Philadelphia Chapter Gets A.D.A. Charter

Philadelphia this week became the first city in the country to receive a charter as the local chapter of Americans for Democratic Action.

The charter was presented to Chapter Chairman William L. Batt, Jr., by David L. Lloyd, Legislative Director of National ADA.

Presentation of the charter coincides with the formal opening of the Philadelphia ADA's office in the Keystone State Building, 1321 Arch St. The Philadelphia Chapter was organized on March 15, and during the last six weeks has enrolled over 200 new members. Joseph Schwartz, Chairman of the Membership Committee, has set a goal of 1000 members for mid-summer. The aims of ADA, to be realized through education and direct political action, are to provide a medium and a program to unite the liberal and progressive forces of America in a crusade for expanding democracy and against totalitarianism and reaction.

Chapter officers are: William L. Batt, Jr., Chairman; Johannes U. Hoeber, Secretary-Treasurer, and Emily L. Ehle, Executive Director.

Beautiful Narberth Scientist Makes Her Debut On Television

Narberth's Lucia Keim, looking more like a Powers model than the holder of several impressive degrees in scientific studies, made her first television broadcast on May 15, over station WPTZ. Appearing on the video show, "Sears Vidi-Quiz," Miss Keim gave a part of the "Liquid Air" demonstration which she delivers daily at the Franklin Institute, where she is Chief Demonstrator.

Photogenic Miss Keim, who lives with her parents, Mr. and Mrs. Harvey C. Keim at 202 Dudley Ave., has managed to combine amazingly a career in pure science with a career in dramatics. It may be that she has found her answer in television; and it is entirely possible that television may have found an answer in her, since the search for historic talent which photographs well has been one of the headaches of radio's baby boom.

Lucia was graduated from the Narberth School and from Oberlin College, where she took her B.S. in 1928. A master's degree from the University of Pennsylvania followed, and then the attractive blonde packed her books on nuclear physics and went West. She first took a bachelor's degree in dramatic arts, and then her master's at the famed Pasadena Playhouse. During her stay she directed plays

and taught in the department of voice and speech. She also served on the staff of the Pasadena Institute for Radio.

Returning to her first love, Miss Keim held an assistantship in the Department of Educational Administration at the University of Pennsylvania, and then went abroad, where she spent six months doing

\$10,000 Bail Set For Veteran Who Struck Woman

Kenneth E. Bistline Pleaded Guilty to Assault Charges

Kenneth E. Bistline, of Philadelphia, who struck a woman on the head with a stone early Saturday because "I had to hit somebody," was held in \$10,000 bail for court by Magistrate Walter B. Lowmes, Jr., Monday night.

Bistline, who carries a skull full of shrapnel as a result of the Normandy campaign in which he also lost an eye, was arrested by Lower Merion police near a West Manayunk taproom. He admitted he struck Mrs. Edna Lapent, 32 of 83 Jefferson St., West Manayunk, and fled when her cries roused her husband and the neighbors. He pleaded guilty to charges of assault and battery and assault with intent to rob, at his first hearing Saturday.

Investigation was continued by Capt. William Shaffer and Sgt. James Smyth. Monday night, however, Smyth declared that no further evidence had been secured against the accused. No lawyer appeared in Bistline's behalf, and he pleaded guilty in a low voice to the same charges. He was taken to the county jail on Tuesday, to await trial during the June term of court.

James W. Barnett, Jr., director of the Veterans' Service Center of Lower Merion Township, and Norman Gallion, 4210 Westminister Ave., Philadelphia, president of Amvets Post No. 52, appeared at the hearing. They declared that Bistline was "emotionally sick" because of his war wounds, for which he received a Purple Heart. He gets \$150, full disability pay, they said. Also in court was his young wife, about to become a mother.

Report Results In Hospital Poll

Edgar Scott, of Villanova, chairman of the Bryn Mawr Hospital community relations committee, this week released the following statement concerning a public opinion poll being conducted by the hospital:

A majority of the residents of Main Line communities believe the capacity of Bryn Mawr Hospital should be increased. This is indicated in a third analysis of the public opinion poll being conducted by Bryn Mawr Hospital through its community relations committee.

The poll also indicates, that 85 per cent of those who answered are aware that voluntary, non-profit hospitals such as Bryn Mawr Hospital do not receive enough income from patients to pay for such enlargement.

Bryn Mawr Hospital actually does not receive enough income from patients to pay its expenses. Statistics of the American Hospital Association show that this is true in general voluntary non-profit hospitals. The association's figures show that the average patient pays one dollar less per day than the actual cost of his care to the hospital.

Ninety-eight per cent of those who answered the questionnaire believe that when the income from patients and from all other sources fails to meet running expenses an appeal for contributions should be made to the public. Only one per cent believe that the hospital should cut expenses without regard for standards of service, and one per cent think the hospital should be allowed to go into debt.

Montgomery Ave. Petition Tabled Despite Soup Offer

Even the promise of delicious onion soup failed to move Lower Merion Township commissioners last Wednesday night.

They held under advisement a petition of Albert H. Blien who wanted a zoning change, so he could

open up a parking lot in the rear of a French restaurant he is building on Montgomery Ave. near Gordon Ave., in the General Wayne District of the Township. The restaurant, already more than half completed, is on the north side of Montgomery Ave., while across the street is the Narberth Borough line. The lot where Blien wants to park his patrons' cars is in the rear of the restaurant and could be reached through Gordon Ave.

At present the lot is an R-2 residential district but Blien in a petition to commissioners asked for a C-1 business classification. Representatives of the Penn Valley Civic Association, nearby residents and some of the commissioners did not like this proposal. Once the lot was classified for business, they said, Blien might construct an apartment house or most anything. They suggested that the commissioners classify the lot as an R-5 or R-6 residential district which would give the Township's Board of Adj.

MOTHERS:

Don't keep your family in the dark!

Light that is too dim, too glaring, or badly placed, is a strain on your eyes — and on you! Proper lighting is a lot more than scattering attractive-looking lamps about the room. There is a proper light for every occasion. Check these against those you have:

- For reading and sewing, a convenient 3-way lamp, with proper shade and diffusing bowl, makes seeing easier.
- Reading in bed requires the right light, too. A two-tube fluorescent fixture on the wall over the head of the bed is one of the better ideas.
- Don't neglect your desk. For the table-top type, the usual table lamp, with a 3-way bulb in a diffusing bowl, is perfect.
- Over-all lighting in your kitchen is easy with louvered fixtures containing fluorescent tubes. This wide-angle lighting prevents shadows.
- Under-cabinet lighting removes those dark spots from your kitchen. Here, a fluorescent fixture, hung from the wall or cabinet, does the trick.

CHOOSING A CAREER

By AL BERKMAN, Director
Al Berkman Vocal Studios

A VOCAL CAREER

There are many talented persons with fine voices, who go through life nursing a suppressed desire to sing. When asked why they don't "do something" about all this talent going to waste, the answer is invariably the same—*"I don't know if my voice is good enough."*

In many instances, it's not a case of not having a good enough voice, but in controlling the tones, so that the words are properly rounded. Control of Volume is important, especially to the singer with radio aspirations. Overloud tones must be avoided, so that there are no abrupt changes in volume.

Another important factor towards becoming a good singer is the necessity of singing on pitch. This condition is developed by singing without accompaniment—i.e., Piano, or some instrument to guide the singer toward a relative pitch. There are very few singers who have absolute pitch needed to stay exactly on key, without the necessary accompaniment. I have gotten very favorable results by making piano recordings, for my own pupils, who have had difficulty with pitch and timing.

Once these basic rules are observed, anyone who has a pleasing, natural quality can attain a melodious singing style.

Nunan-Slook's Nine Captures Four Straight

Nunan-Slook Post No. 338, of Oakmont, overwhelmed Haverford Field baseballers, 9-2, as Grange Field was dedicated in Penfield. Three Nunan-Slook pitchers saw action: Martin, Bob McCaughan and Ira Harnish, while Harry Witney and Hubert Smith pitched for the Grange.

Nunan-Slook held to a 2-2 count throughout the first seven sessions, broke loose with a seven-run rally in the eighth. Martin was the only Legionnaire to collect more than one hit, while Higgins duplicated for Haverford.

Earlier, in Eastern Delaware County American Legion League games, the Oakmonters upset Colingdale, 5-0, and Pepperbury, 10-1. On Thursday, Nunan-Slook stretched its streak by beating East Lansdowne, 12-1, behind the hurrying of Harnish and McCaughan. Foley accounted for three hits against East Lansdowne.

Harnish and Foley took turns on the pitching mound against Upper Darby and together gave up only two hits. Foley collected three hits, while Jones, Keen, Turner and Senuto had two each.

St. Lucy Bows To St. Thomas, 2-0

Grimes Pitches First
No-Hit, No-Run Game
Of Montdel Season

Ed Grimes, big St. Thomas right-hander, became the first Montdel League pitcher to turn in a no-hit, no-run game this season. In his initial start last Monday against St. Lucy's of West Manayunk the Tommie ace halted the home clan, 2-0, to give the Villanova nine its second victory of the year.

While Grimes' performance was holding the spotlight elsewhere in the circuit the leading clubs were slugging it out as the race tightened up all along the line. The title-defending St. Margaret's club of Narberth remained in the unbeaten class, but had two close calls. The borough squad thumped St. Philomena at Lansdowne by an 8-1 score on Monday, were fought to a 1-1 draw by Good Counsel at Bryn Mawr Tuesday; then squeezed through to a wafer-thin 9-8 verdict

over St. Colmans at Ardmore on
Wednesday.

St. Lawrence, runner-up last
season, came out of its two-game
slump to win a pair of decisions.

In one of them, Nick Amadio pitched
a one-hitter to halt St. Charles
7-2 at Oakview; in another the
Polaris ran wild to score ten runs
in the second frame to jolt St. Col-
mans 11-4 at Drexel Hill.

Good Counsel remained stationary
during the week, for in addition to
the stalemate played with St. Mar-
garet's Tuesday Skeets Hayes' team
indulged in a 2-2 tie with St. Lucy at
the latter's McMoran Field in West
Manayunk.

St. Lucy collected one decision
during the week, handing St. Col-
mans a 5-1 defeat Wednesday in the
playoff of a 7-7 tie the previous
week. The game between St. Philo-
mena at St. Thomas scheduled for
Villanova Thursday night was rained
out and will be played this
Thursday.

Grimes had a clean-cut no-hitter
against St. Lucy. There were no
really hard-hit balls and only two
balls were hit to the outfield. He
struck out eight and walked only
two.

His mates could collect but two
hits from Frank Raffa but they
made both of them count for runs.

Timmy Falcone, stocky Tommy
catcher, tallied both the runs for
the winners with Tom Kirch driv-
ing times in both times. In the
fourth Falcone walked, went to
second on an infield out and scored
on Tom Kirch's hit to left. In the
sixth he led off with a single, then
Manning and Loos walked to load
the bases. Kirch squeezed Falcone
in with the second run.

Jackie Horgan gave up but two

hits in halting St. Philomena as
St. Margaret's collected the 8-1 ver-
dict Monday night. Six runs in the
third clinched the decision. On
Tuesday Ernie Ettore and Jim
Hickey clashed in a thrilling 1-1
pitchers' duel, with Ettore giving up
five hits and Hickey four. St. Mar-
garet's scored in the opening frame
on singles by Bill Ogden and Jim
Barnett and Joe Adelizzi's fly to
right. Good Counsel tied it in the
fifth when Mike Keaveney walked,
scored second and came in on Ray
Desert's single to center.

Against St. Colmans the borough
nine built up a 9-4 lead but the
home clan rallied to drive Horgan
out of the box with a four-run bar-
rage in the fifth to tie the score.

Ettore came and protected the lead
to the end. Joe Adelizzi had two
triples and a single for the winners.

Bob Hackman, Lower Merion vet-
eran, captured second in the 120-
yard hurdles, trailing Erie's
Dick Gilson as he streaked to a
new meet record of 14.5 seconds.

Another L. M. representative, Gene
Zeiner, although recently recovered
from a broken left wrist, placed sec-
ond in the pole vault, which was
won by a Harrisburg youth with a
vault of 11 feet, 9 1/2 inches.

A third Lower Merion muscle-
man, Kit Marshall, placed fourth
in the shotput.

Two Haverford High runners
placed second in the 440 and 880-
yard runs. Bruce Stratton, District
One quarter-mile king, was second
behind Bill Lockart, Harrisburg
tsar who reeled off a 51-second quar-
ter. For the second straight Satur-
day, blond Bob Schlenker trailed
Upper Darby's Bob Weaver in the
half-mile.

Weaver, lean Upper Darby mid-
dle distance star, later added the
State mile championship to his Dis-
trict One title. He, in fact, led Dis-
trict One to the team title by con-
tributing generously to its 86 1/2
points.

Hubert Smith, veteran right-han-
der, hurled Haverford to its sev-
enth league victory, while yielding
six hits. The Ford's only hit was
collected by Skippy Muir, veteran
catcher.

Muir, coming through with the
chips down in the eighth, an extra
inning, whacked a triple to score
Outfielder Don Griffith with the
winning run. Previously, both teams
had tallied one run in both the first
and fourth innings.

LOSERS LADIES' TITLE

Mrs. Dorothy Germain Porter, of
Llanerch Country Club, was an up-
set victim in the Philadelphia wom-
en's golf championship tournament
Saturday afternoon at Philmont.

Mrs. Porter, defending champion,
dropped a 19-hole decision to Mrs.
Harrison Filippin, a former titlist,
in the final round. Mrs. Filippin, the
former Edith Quier, captured the
women's title in 1936 and again in
1939.

Villanova has an all-alumni
football coaching staff. John
McKenna, line coach, is the
newest member.

Haverford Twp. Boy's Baseball Loop To Meet

Representatives of baseball teams on which the players must be 14 years and under will meet to form a Junior League as part of the Haverford Township recreation program developed by Steve Juenger, next Tuesday night, June 3, at 7:30 P. M. The meeting will be held in Room 113 of the Haverford High School.

Three baseball leagues also were formed last Monday night at a similar confab. They were the American, for an unlimited age group; National, 18 and under, and International, under 16.

The American includes the following teams and their managers: Garrett Hill Boys' Club, Ellis C. Dwyer; Shamrock, Frank Myers; South Ardmore Hawks, Joseph T. Lyons; Brookline, Richard Maguire; Knights of Columbus, Richard J. DeVirgilio. This league will play Monday and Wednesday evenings.

The National, which plays Tuesday and Thursday evenings, includes: Marple-Newtown, Samuel E. Kirk; Garrett Hill Boys' Club, Ellis C. Dwyer; Wayne Boys' Club, Clifford Calvert.

The International, playing Mondays and Wednesdays, includes Ardmore Manor, William P. Schaevel; Good Counsel Juniors, John Quinn; Brookline, Warren Hutton, and Burns, Sam Fanelli.

Last Tuesday, two softball circuits were formed. Senior and Junior leagues, in which the age is unlimited, American and National Basketball Leagues, and Boy Scouts' softball and baseball loops also were organized.

ALL MAIN LINE LEAGUE TEAMS SEE ACTION AS NARBERTH, BERWYN LEAD

By HARRY ELLSWORTH

With the first big week-end of the Main Line League baseball season coming up this week, Narberth and Berwyn hold the lead in the Western and Eastern Divisions, respectively.

Berwyn scored a 5-4 win over West Chester to take the Western lead away from Collegeville as the Superiors lost, 12-8, to Norristown. The Kelly crew cut short a three-run West Chester rally in the last run to the ninth on Saturday. Jerry Rubbo and Norm Kline led the Berwyn attack with three hits apiece, while Ted Dawson spun seven-hit ball.

Narberth, meanwhile, scored in the ninth to nose out Drexel Hill, 5-4. Joe Adelizi, rookie first baseman, walked for the Borough team, went to second on a wild pitch by Hillers' hurler, Tommy MacFarland, and scored on a punt by Frank Arnone. George Davidson pitched his second win of the year for Narberth as he scattered 12 Drexel Hill hits, 4-3, also on Saturday.

Ardmore scored over West Chester, 4-3, also on Saturday, when Joe DePaolo home with the winning run in the 10th. Clem Bevan, battered by Narberth last week, was the winning pitcher.

On Memorial Day week-end, every club will play at least three games. Manoa and West Manayunk will finish their game of May 18 on Saturday morning at West Manayunk. Manoa held on to a 1-0 lead when rain halted play in the fifth.

Gladyne plays at Narberth in another make-up contest, rained out on May 18. In the afternoon, Narberth will travel to Manoa's "sterling" field to meet Frank Matthews' team.

Also on Friday afternoon, West Manayunk goes to Drexel Hill. Gladyne plays Eddie Hays' Ardmore club at Ardmore. Wayne is at West Chester on Saturday. Collegeville plays Berwyn at Berwyn.

Inter-sectional competition is inaugurated on Saturday when the two divisional leaders, Narberth and Berwyn, meet on the Borough diamond. Both are unbeaten.

Gladyne will journey to West Chester. West Manayunk plays at Wayne. Manoa is at Superior Tube Field to meet Collegeville, and Ardmore back on the Newlin path. Collegeville plays Norristown on Saturday.

Berwyn drags its heavy hitters to City Line and Burmont Rd. to play Drexel Hill in what should be a slugfest match. Sunday. Billed with this contest is Norristown's visit to Narberth and West Chester's trip to West Manayunk. Collegeville will be at Wynnewood 5-6 to meet Ardmore and Wayne will be at Gladyne.

MAIN LINE BANTER

The game between Manoa and Gladyne at Gladyne's field was postponed because, according to reports, the Gladyne nine was unable to obtain the necessary permission to play there!

Jim Ouchterloney, Narberth third baseman, drove out two of the Borough club's six hits in Saturday's win over Drexel Hill. Ouchterloney, a former Williams College star, played with Valdosta, of the South.

B. C. Lions Elect 1947-48 Officers

First Softball Game Brings Victory For Newly-Formed Team

Joseph A. Andrews was unanimously elected president of the Bala-Cynwyd Lions Club at its weekly meeting Tuesday night in the Cynwyd Club.

Joseph Dolan, 3rd, and his father, Joseph Dolan, Jr., were re-elected secretary and treasurer, respectively, while William Harsch, Vincent R. White and William Kaseman were elected first, second and third vice-presidents.

Chris Kirsch and Nicholas Forolio were chosen directors; Hugh O'Neill was picked for lion tamer, and Robert Ralston and Paul Klings for tail-twisters.

The new officers will be installed June 25 at the club's Charter Night banquet, to be held at the Bala Golf Club at 7 p. m.

The Lions' new softball team, managed by Vincent White, played its first game last Friday night and won, 18 to 16. Their opponents were the employees of the John H. Koegler, Inc., Chrysler-Plymouth Agency, Montgomery Ave., Cynwyd. Next scheduled game will be on June 6 at 6:15 p. m. at the Belmont Field, Cynwyd, when their opponents will be the Main Line Lions' team.

research at the British Museum. Among her other trophies she has hung up a spell as member of the faculty at Germantown Friends' School, teaching at the Shaker Heights public school, Cleveland, O., and authoring a number of articles on education.

Mr. and Mrs. Keim, bursting with pride, were given a special preview of Lucia's debut on television, at Fred Dannenhauer's radio and accessories shop on Lancaster Pike. They haven't a television set of their own, yet, and they didn't want to miss their daughter's initial appearance. Proud as they are of her achievements, they profess themselves unable to account for them.

Mr. Keim is a Certified Public Accountant, with no scientific bent at all. However, he did appear with the Narberth Players, local Little Theatre group, for a number of years. Always enjoyed it, he said, and thinks he might like to try it again, now that they've reorganized after the war.

Mrs. Keim is a housewife no scientific bent; no dramatic bent. Just terribly proud of her talented daughter.

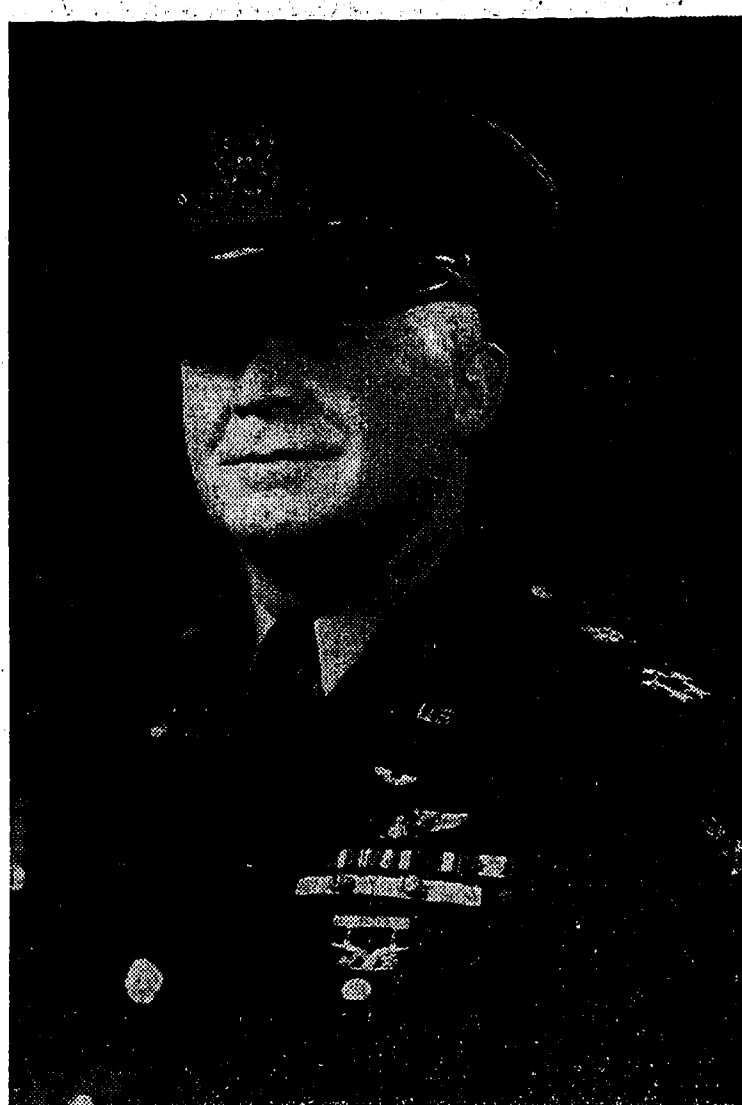

In spite of the fact that she apparently is to know about cosmic rays and the atom bomb, subjects on which she lectures at Franklin, Miss Keim is a living demonstration of the Institution's famous slogan.

"Science Is Fun!" insists the museum on the Parkway. Judging from the accompanying photograph, it might be, at that.

MEMORIAL DAY SPEAKER

GENERAL HENRY H. (HAP) ARNOLD, native of Gladwyne and graduate of Lower Merion High School, will be the principal speaker here tomorrow at township-wide Memorial Day exercises scheduled for 11 A. M. at Pennypacker Field. Prior to the ceremonies, he will take part in a colorful parade through Ardmore's flag-decked streets. At the close of the exercises he will formally present his war trophies to Lower Merion School.

Ardmore, made extensive plans for the summer at last Thursday evening's business meeting. The re-decoration of a club room at the "Y" will be the main project for the summer. The group has a softball team, coached by George P. Duncan, Jr., which will play other club teams beginning next week. Last Thursday evening, Nellie Hess and Frances Stuart were high scorers in a bowling match held by the group.

Residents of the Main Line YMCA dormitory held a dinner last Thursday evening to meet H. Rowland Weaver, new executive secretary, and Mrs. Weaver.

The Bomis Jr. Tri-Hi-Y Club, under the leadership of Mrs. Claire Matthews, are holding a skating party Thursday evening in the Main Line YMCA gymnasium followed by dancing in the Social Hall.

The Young Adult Forum of the Main Line YMCA elected officers for the coming year, Monday evening. Arthur J. Kelly, of Ardmore, was elected president, with Mrs. William Keim, also of Ardmore, as vice-president; Miss Eleanor Blake, secretary, and Lloyd Jennings, treasurer. The next event of the group will be a picnic on Monday, June 16. The past year's activities were carried on under Norman Benninghove as president.

On Saturday morning members of the Boys' Department and friends will meet at the Main Line YMCA to go on a trip down the Delaware River on the Wilson Line boat to Chester for a day's outing. Plans for next Saturday include two events. Boys will visit Franklin Institute in the forenoon and attend the Inter-association Track Meet

event of a comet hitting the Earth, but which seems to survive all these attacks from without. Actually, however, the latter likelihood is extremely remote and no one need lose sleep over it. It is well known that the Earth has gone through the tail of a comet, the gaseous constitution of which is so excessively tenuous that the thin air of mountain heights is dense by comparison.

A brilliant meteor, with its rapid color changes, is a thing to be remembered. I saw one passing through the sky of Berwyn as a streak of bright green, but its path may have extended over several of the counties of eastern Pennsylvania.

Offer meteors are the debris of comets and have definite periods for their appearance, seeming to emerge from particular points among the stars. Notable "show-pers," as they are called, have their dates in August and November; the former are the "Perseids," which bear that name because of originating in the direction of the constellation Perseus, and the latter the "Leonids," having their origin similarly in the constellation Leo. The Earth in moving along its orbit around the Sun collides with these swarms of meteors. At times, as in the famous display of November, 1833, the meteors seemed to fill the sky, causing consternation—yet the Sun rose the next day as usual, and nothing more was seen of the shower until thirty-three years later, in November, 1866, when this exhibition was repeated. There were some in 1899, but very few at the next recurrence, as the Earth seems to have missed the swarm.

You may look for meteors, or shooting stars, any clear moonless night, and if gifted with patience will not be disappointed.

MAGISTRATE SPEAKS ON HIGHWAY SAFETY

Magistrate Roy Blackburn talked on highway safety at the luncheon meeting of the Ardmore Optimist Club Tuesday. The meeting was held at the Llanerch Country Club. A motion picture was also shown by Roy B. Lucy, of the Curtis Publishing Company, giving the inside story of the actual work that goes into making up a magazine.

LESSON-SERMON
 "Ancient and Modern Necromancy, Alas Mesmerism and Hypnotism: Denounced" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 1. The Golden Text is: "Get thee hence, Satan: for it is written, Thou shalt worship the Lord thy God, and him only shalt thou serve" (Matthew 4:10).

Fireworks of the Sky

Better known as "shooting stars" (even though they are not stars at all), these visitants from the sky may be seen every clear night, especially when the Moon is "off duty." They are more frequently in evidence after midnight, during the "wee, sma' hours" when all sensible people are in bed.

Still, one does not have to be an astronomical enthusiast to occasionally turn from the affairs of daily life to the heavens, from whence the fireworks proceed.

Shooting stars (meteors) vary greatly in size and brilliancy; many weigh but a few grains apiece, and some are big enough to fall to the Earth, in which case they are called "meteorites."

All penetrate our aerial envelope at high speed, accelerated by the force of gravity, and are as a rule reduced to dust after becoming incandescent by friction while piercing the atmosphere. Because of this protection comparatively few strike the Earth, but the dust falls to its surface and in the course of time—it may be centuries—adds a little to its bulk.

As many are aware, there have been some exceedingly large meteorites, like the one Peary brought from Greenland to New York, its weight 36½ tons. When a boy I saw a meteorite weighing about sixteen tons, which had fallen in Mexico. Both are largely made up of iron and the date of their contact with the Earth is unknown. It must have been "some" drop, but these have been exceeded by the impact of the huge meteorite that struck near Canyon Diablo in Arizona, and the one that created havoc among the trees of a wide area in northern Siberia about forty years ago.

It is only a question of time when and where the next will plummet earthward, or the less probable

Zoning

ment the right to grant Bien an exception but at the same time limit the use of the land to parking.

Philip H. Chase, chairman of the Penn Valley Civic Association's planning and zoning committee, suggested that the Township take over Bien's property and turn it into the first off-street parking lot for the new shopping district which has seen the construction of eight new business buildings within the past two years. By this, Chase said, nearby residents would be assured that the lot would never be used for anything but parking and it would assure the new business center of parking space.

Bien wasn't so taken with the Penn Valley Civic Association suggestion and it was at this time that he started to talk about the delirious onion soup he could make.

Mary A. Darrah, 519 Gordon Ave., spoke against granting Bien's petition. She said she had no desire to see taxes go up on her property or a taproom built on the parking lot nearby.

Another resident of Gordon Ave. took another view. Edward Bailey, who lives at No. 521, said he could see no reason why the French restaurant or its parking lot would be detrimental to the neighborhood. Store customers, he said, need a place to park, especially when there is a rush on Scotch at the State Liquor Store. He questioned the right of the Penn Valley Civic Association to intrude in the matter because, he said, they had never wanted to include the Gordon Ave. section within the Penn Valley boundary line.

Paul C. Bien, the petitioner's son, and George Major, his son-in-law, gave the commissioners some idea of what kind of restaurant the elder Bien would run.

"It will be different," they said, "than anything you have seen in Philadelphia. There will be a main dining room, a banquet hall and food served in the best French style."

Court Settles Water Squabble

Judge Dannenhauer Rules for Andrills In Equity Action

A neighborhood argument between two Bala Ave. property owners was settled last Wednesday by Judge Dannenhauer in Montgomery County Court.

Involved in the equity action were Joseph and Josephine Andrill, of 130 Bala Ave., and Camillo Finamore, 128 Bala Ave.

The Andrills started the action when Finamore began erecting a wall on his property in such a manner that it would prevent the flow of surface waters from the Andrill property through a gutter onto the Finamore property and into a drain. Judge Dannenhauer ruled that the Andrills are entitled to an easement over and upon the Finamore property for the purpose of draining surface waters from the rear of their premises by way of the existing gutters and drains.

Because of this, he directed that Finamore be enjoined from interfering with this easement and is to remove any portion of the wall which affects it. He was also directed to pay the costs.

Sen. Wood Moves To Bar Dam at Wallpack Bend

Says 8000 Acres of Montgomery County Would Be Uninhabitable

State Senator Lloyd H. Wood last week introduced a bill at Harrisburg which would halt plans for impounding Delaware River at Wallpack Bend to provide a new water supply for Philadelphia.

It was Montgomery County's first direct step toward preventing Philadelphia from taking thousands of acres of Montgomery County territory for use in the proposed water supply program.

The bill repeals the State Act of 1868 under which Philadelphia is given the right to acquire by condemnation the land of adjoining counties needed to provide the city with an adequate water supply. The bill was co-sponsored by Senator Edward B. Watson, of Bucks County. Both counties would be affected by the proposed damming of the river.

The plan for a Wallpack Dam was approved by Mayor Bernard Samuel's Philadelphia Water Commission last year after a series of engineering surveys in which various localities were considered.

Senator Wood said that 8000 acres of Montgomery County land would be made uninhabitable—as well as parts of Bucks and Delaware counties—if the dam were built. He said Montgomery County residents have called upon him for some protection against the plan.
